Sir:

The following remarks are submitted in response to the final Office Action dated May 21, 2003.

REMARKS

Claims 1 through 5 are currently pending in the application. Favorable reconsideration and allowance of the application are respectfully solicited.

In the Office Action of May 21, 2003, claims 1 through 5 were rejected under 35 USC 103 as unpatentable over Dong. The statement of the rejection is a repeat of the statement of rejection of these claims in the first Office Action, dated December 11, 2002. In addition, a response to the arguments submitted in the Amendment of March 11, 2003 was provided. The arguments and the remarks are summarized below.
